PASTOR EK OLUWATUYI

DS Spring of Life

PASTOR JOE JACOBS

Superintendent Amuwo Odofin DCC

Topic: Everything under Heaven is mine (God)

Preacher: Pastor E.K Oluwatuyi

Text: Job: 41: 11

The fact is that everything is geographically under heaven, including planet earth. It means God owns all things. The owner of your life, children, money, whatever you have, is God. He wants to bless us immensely but he has a requirement. In the text, he said, 'who has first done for me?'

Who is that wise son like Abraham who first paid his tithe to a priest? Who is that wise son like Abraham who will first give fine food to strangers not knowing it is God before God gave him his long waited child? Who is that wise woman like the Shunamite woman who will first take care and build an apartment for the prophet of God Elisha, without him even asking? And she didn't even ask of the man for anything. Who is that wise child? There are so many of God's children who are weeping in supplication and prayer before God but are not wise. The wise come before the King with a gift ahead of them.

The Shunamite woman built a penthouse for Elisha. Since I have been alive, it is the landlord that lives upstairs. The top floor is prestigious. But this woman and her husband stayed downstairs while Elisha lived upstairs. What an honour they gave to the man of God. Thats like you owning a Pegeout yet buying a Lexus for your pastor. Elisha prophesied that the childless couple will have a child the following year and it happened.

Haggai 2 verse 8 says 'silver and gold is mine says the Lord of host.' Many are running about seeking salary, waking up early sleeping late. Through out the week they will not be in church because of work.

What the bible says about them is terrible. Ecclesiastes says they are eating the bread of sorrow. Wealth is not by working long and not sleeping well but by God's help. Dangote is not the most hard-working person in Africa!

Deuteronomy 18 verse 11 says remember the Lord your God for He is the one that gives you power to make wealth.

Anyone with the gift of giving to God and people is under great grace. God is telling you to make him your priority, the most important person in your life.

This year is not yet over. There are still four months and God can change your situation within this time.

Prayer

O Lord give me the grace to give myself entirely and all that I own to you.

Lord, let me not deny you anything you ask of me.
