Sermon: Mystery of the Number 11

Preacher: Pastor Joe Jacobs([Amuwo Odofin](#) DCC Superintendent)

Text: John 5

Ten is a number of completeness. Eleven is for new beginning. When you have built a milestone if you are not careful one can retrogress. But it is the plan of God that we move from glory to glory; to accelerate and not decrease.

The number 11, according to the [Bible](#) means revelation and revelation leads to God's glory. God's word, the Bible which carries the revelation of God contains 11×6 books = 66. 6 itself is the icon of man.

The Acts of the Apostles is the 44th book of the bible. 11×4 . It's the revelation of God to the four corners of earth. Jesus lived for 33 years. The manifestation of Christ on earth is the highest revelation of God's glory to man. The 11th hour is symbolic of die minute. When you have waited and waited for a blessing, a deliverance, a breakthrough. God is the God of die minute, God of suddenly who appears when all hope is lost. No matter how long you have waited, if you are expectant, God will appear in your situation. I call this 11th hour lifting!

If this lifting is going to overhaul your life, expect jealousy, envy and hefty opposition. Many people their growth have been destroyed. The enemy has said some will not pass secondary school, some no marriage, some not more than N100,000 in their account. No matter the limitation on your life, the favour of God will lift you beyond in Jesus' name.

In John 5, Jesus went to Bethesda, a dirty environment where all sorts of people with infirmities dump themselves waiting for an angel to stir the pool once a year. There he met a man who had been paralysed for 38 years! 38 years means his life has been wasted.

He couldn't go to school, work or marry. But Jesus left dozens of people there and went to this man without him seeking or even knowing Jesus. This is mighty favour. May favour locate you and lift you up out of paralysis and stagnation. We live in a world of power. When powers collide, one will bend for the other. Jesus encountered this man, his paralysis disappeared and he walked!

At my former church, one of my members who was an assistant bank manager was transferred to another state and demoted to ordinary sales executive. When he came to me we prayed that God should create a commotion that would raise this man. When there are about 5 bosses ahead of You, how are you going to get to the top except God does something drastically? After prayers, a policy came out of the bank that executives should undergo HIV tests that's how many of them failed and my member was promoted to regional manager! For those of you who have lost hope, your eleventh hour miracle that will announce your greatness to the entire world will locate you now in Jesus' name.

Prayer

Lord scatter and rearrange situations in my favour!
