Message: The Next Move of God
 Preacher: Pastor E.K Oluwatuyi
 Text: Isaiah 45:11-13

There have been moves since the creation of the earth. Genesis 1 says the spirit of God moved upon the face of the waters and God said 'let there be light!' It was this move that led to the reconstruction of the earth. At another time, he moved to destroy all living things inhabiting the land. He informed Noah ahead of this move on what to do and how to escape with his family. Verse 11 of our text says "Ask me of things to come..." God wants us to ask him of the future, especially his plans.

Unfortunately we don't ask him.

What are the next moves of God?

1. Jesus Christ is coming back.
2. Evil will be judged.

This is very important to note. If you are practicing lies, unforgiveness, pride, sexual immorality, etc, be warned.

3. The dead will be raised to judgement resulting to eternal life or destruction.

Let's meditate on these facts. Sadly, many are not instead they are practising spiritual error.

What are these spiritual errors?

1. Spiritual coup against repentance.

Instead of repenting, many elders, deaconesses and church members are plotting against their pastor speaking the truth to them. They are fighting discipline. Many ministers are not even preaching righteousness, only prosperity and prayers for the life of their enemies. We must be very careful about the kind of church we go to. Heaven is our goal.

2. Coup and error against salvation

Many have substituted salvation with civilization. God has enabled them to be educated but they will not submit to God's instructions because they think his doctrine is outdated.

When your church's doctrine says do not use jewellery, many will not listen. If you are a C.A.C member, God has planted here and he expects you to keep the doctrine there. Jesus said it's not all that call me 'Lord, lord' that will make Heaven. You must deny yourself of some things to follow Christ. The kingdom of God and salvation is no longer preached.. We have forgotten Jesus' words in Matthew 24:24,25 which says many false Christ will rise. They will deceive many. The bible says many are called but few are chosen. Will you make the few?

3. Modern pastors.

These people have taken the scriptures and cleverly misinterpreted it. People hail them because they give ear pleasing teachings to those with itching ears. When the bible says seek FIRST the kingdom of God, they teach blessings first. Beware.

What is your preparation for God's next move?

1. Return to your spiritual sense and let the spirit of God direct you.
2. Keep your spiritual destination in view.

If you know where you are going nobody will be able to take you for a ride. Otherwise, people will be pushing you here and there.

3. Understand and meditate on what the bible says. If you know the truth for yourself, you will not be easily swayed by falsehood.
4. Teach those under you more of repentance and the consequence of sin. Teach your wife, children, subordinates, etc.
5. Do not follow the gathering of these modern day ministers.

In conclusion, all sane, wise and knowledgeable are essentially living for the future. It is wise, to always think and prepare for the future.

Many today are focused on material achievement - job, money, marriage, riches, assets, etc, but they are not obsessed about heaven.

Also saddening, is that many leaders can teach about heaven and salvation but they and their families are not practising the word of God. They rebuke others but their children are doing the very thing they rebuke others for. Hypocrites! Jesus advised us to remove the log of wood in our eyes first before looking at the spec in others.

Prayer—Everything filling my heart and hindering me from focusing on heaven, O Lord remove.
